

To Barack Obama, Mr. President:
To the Members of the House of Representatives:
To the Senate of the United States of America:
To Ban Ki-moon United Nations Secretary-General:
To whom it may concern:

THERE IS ABUNDANT EVIDENCE THAT:
The 911 buildings were pulled down with controlled demolition explosives!
The criminals set up the explosives before the planes struck!
The criminals knew beforehand that the planes were coming!

Now we need to know the names of the criminals!
We Americans and the world deserve nothing but the truth!

There is abundant evidence that the 911 buildings were taken down by controlled demolition explosives¹. We hereby petition for, and demand, a truly independent investigation with subpoena power in order to uncover the full truth surrounding the events of 9/11/01, specifically the collapses of the World Trade Center buildings #1 (North Tower), #2 (South Tower), and #7 (the 47 story high-rise across Vessey St.) must include a full inquiry into the use of explosives that were the actual cause of the destruction of the World Trade Center Twin Towers and Building 7. And find who setup and detonate the explosives.

Sincerely:
