

# Supreme Court of the United States of America

Not those 9 justices whose majority are sold up to billionaires, but the court of the people, otherwise known as public opinion or better **PUBLIC ACTION!**

1  
2  
3  
4  
5 The people Plaintiff ) **MOTION:**  
6 vs. ) **CONFISCATE FROM BILLIONAIRES THE STOLEN MONEY**  
7 Billionaires Defendants. ) **FROM ALL PUBLIC DOMAIN INVENTION'S ROYALTIES.**  
8 ----- )

9 Billionaires have been making  
10 billions from public domain technology that rightfully belongs to  
11 THE PEOPLE, without paying us the due royalties!

12  
13 The first 20 years or so, it is the inventor who collects royalties from  
14 any invention. After 20 year all inventions become a patrimony for

15 The People, **an INHERITANCE FOR**  
16 **HUMANITY.**

17 All inventions: the fire, the wheel, locomotive, radio, TV,  
18 computers, cells, cars, planes, ships,  
19 buildings, robots, etc, etc, included all  
20 science: mathematics, biology, physics,

21 medicine, etc, etc. All are our patrimony, **our inheritance from our**  
22 **grandparents:** Socrates, Plato, Aristotle, Galileo, Newton, Edison,  
23 Henry Ford, Louis Chevrolet, Einstein, Stephen Hawking, *et al.*

24 Who **OWNS** all this science and technology? Not the billionaires, not the government.

25 **We The People nothing less.**

26 Hence all unpaid royalties are **stolen money** that must be returned to The People **NOW!**

27  
28 But how to calculate the immense amount of royalties's money stolen by billionaires? Well,  
29 that is clear, while billionaires enjoy obscene luxury, yachts, private planes, mansions etc.  
30 Not just homeless but **minimum wage workers** can not pay the rent. This economic inequality  
31 is the measure for the royalties robbed from The People.

32 **IT IS SELF-EVIDENT, NO ONE CAN MAKE A BILLION DOLLARS WORKING HONESTLY!**

33 Those people holding billions are prime suspects of a myriad of crimes!

34 It is clear that all the wealth a billionaire has above a billion is

35 **STOLEN PROPERTY !!!**

36  
37 Why we allowed robbing to become a **normal**? Billionaires are guilty for robbing, and we also  
38 are for not fighting back! Some people even love billionaires.

39 By accepting robbing as the normal

40 **we are destroying the very fabric of our society !**

41  
42 Billionaires rise prices for housing, food, gas, health care, etc, while keeping our salaries low.  
43 They are not "job creators" but **homeless creators.** ■busting workers unions. ■created  
44 the housing bubble, made lots of money, foreclosures ■ got 700+ billion bailout from our  
45 taxes, **Too Big To Jail.** ■billionaires own the US Supreme Court by bribing.  
46 ■finance political campaigns with **dark money** to pack the House and Senate with corrupt  
47 politicians and twist the law to DESTROY DEMOCRACY and DESTROY THE ENVIRONMENT  
48 with fracking and global warming denial.  
49
